ANNUAL LETTER

12/02/15

VEMULA PRANITHA – 0374.

Pre-School.

Dear foster parents,

Greetings from the Day Care Centre in the precious name of our Lord Jesus Christ.

I am happy to write this first annual of your dear foster daughter Pranitha. Pranitha's parents are also conveying their happy greetings to you.

Pranitha is keeping good health by the grace of God and under your kind support. We hope and pray that God protects and takes care of you well. Pranitha's parents bring her regularly to the Centre. She was joined here in the month of May '14. Now she got acquainted to this environment and mingles freely with the other children.

Pranitha is a good girl and is a quiet child. The staff is taking good care of her in providing nutritious break-fast, lunch and evening snacks with milk. Her parents are happy that she is getting adjusted in this Centre. She sits nicely along with the children during prayer time. She simply watches what the staff and the children are doing. She is given many toys to play with. She likes to play outside in the sand. She is helped to play with the merry go round. She is taught to learn small words like to name flowers, vegetables, animals and birds. She is asked to sing action songs along with children. She is helped to keep herself clean and tidy.

For Christmas, she was given a nice frock to wear. Along with her mother she attended the Christmas function that was celebrated in one of the KNH institutions St. Mary's KNH Boys' Hostel premises. The stage was beautifully decorated with balloons, Christmas tree, star and lighting. The children staged Christmas play, singing carols, musical dance and recitation of bible verses. Later the Bishop gave the children family Christmas gift each RS.300/-. Pranitha's parents were happy to receive the same and are conveying their heart-felt thanks not only for the gift but also for the kind support.

Along with the family we wish you a happy and prosperous new year.

Yours sincerely,

G. Geetha
